

Address :

P. O. Box: 4275 Safat 13043 Kuwait
Tel.: 2428626
Fax: 2403139
Email: info@kw.abb.com
Website: www.abb.com

Working Hours :

8:30am - 5:00pm (Saturday - Wednesday)
8:30am - 1:30pm (Thursday)

Management :

Abdul Ghani Khalid Al Ghunaim
(Chairman)
Fahad Khalid Al Ghunaim
(Vice Chairman)
Anders Gullerfelt
(Managing Director)

Employees : 85

Activities :

ABB is a leader in power and automation technologies that enable utility and industry customers improve their performance while lowering environmental impact. ABB is organized in two divisions: Power Technologies and Automation Technologies.

Power Technologies :

- High-Voltage Products
- Medium-Voltage Products
- Transformers
- Utility Automation Systems
- Power Systems

for power technologies comprise power and distribution transformers, switchgear, breakers, products and technologies for high and medium voltage applications.

for power technologies comprise AC and DC power transmission and distribution systems as well as automation systems for utilities.

for power technologies comprise repair, retrofit, refurbishment, asset management and diagnostics.

Automation Technologies :

- Process Automation
- Automation Products

technologies to help our customers improve productivity, efficiency, safety and quality in plant or process operations. This comprises measurement and actuation devices, real-time control and optimization systems, robotics hardware, software and simulation, energy saving electric motors and drives, power quality, conversion and synchronizing systems, fuses and switchgear for electrical system protection and low-voltage products & systems

Agencies & Brand Names :

ABB Companies Worldwide active in Utilities; Process Industries; Manufacturing & Consumer Industries; Oil, Gas, and Petrochemicals; Power Technology Products; Automation Technology Products
